

Grade a Blackboard Assignment with an Associated Rubric

1. Navigate to your course and select the Gradebook tab.

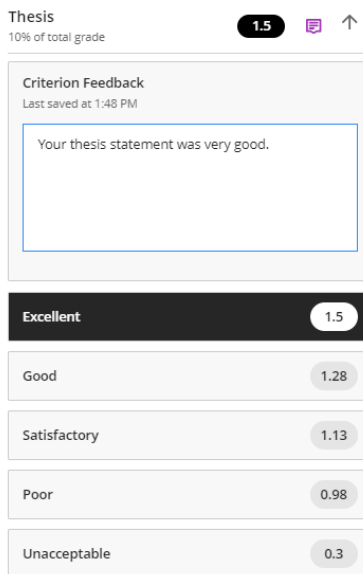

2. In the Gradebook's list view, click the name of the assignment that contains the rubric for scoring.

3. Select the name of a student to view their submission then click the **Open grading rubric** icon to open the Feedback panel to view the rubric for scoring.

5. Expand the levels of achievement for each row of criteria and **click the appropriate level for scoring**. Add criterion specific feedback by clicking the View Feedback icon. Scores will be saved automatically.

6. Provide any Overall Feedback and click the Save Changes button.
